6. CHAIR'S REPORT AND URGENT ITEMS

6.1 Non-Strategic Sites Development Plan Documentation (DPD) Issues and Options consultation

The parish workshop scheduled to take place that morning aimed at taking forward the work on sites proposed to meet additional housing requirements had been cancelled. A new date was awaited. It was **RESOLVED** that:

The update be noted.

6.2 Notification of Committee Hearing re: LU/78/19/PL - 32 Griffin Crescent, Littlehampton

The Committee was informed that this application would be determined by the District Council's Development Control Committee on 5th June 2019. The Town Council had objected to the application on the grounds that the resultant dwellings were deficient in terms of external and internal space provision and did not meet the current space standards. It was **RESOLVED** that:

The update be noted.

6.3 ADC Consultation regarding proposed supplementary planning guidance on Accommodation for Older People and People with Disabilities

The Town Clerk reported that the District Council had published a draft supplementary planning guidance on accommodation for older people and people with disabilities on 23rd May 2019. The consultation was open until 20th June 2019, which was before the next meeting of this Committee. The document would be used as interim guidance for the purposes of determining planning applications so as to try and increase the amount of appropriately sized dwellings being delivered. Members were invited to send any views that they had on this draft to the Town Clerk so that he could compile a response in consultation with the Chair. It was **RESOLVED** that:

The Town Clerk be given delegated authority to respond to the consultation, in consultation with the Chair, having incorporated the comments of Members.

6.4 Member Training – Planning Matters

The Town Clerk reported that an external provider had been contacted regarding the provision of planning training for Councillors which focused on the Town Council's role as a consultee commenting on planning applications. Whilst a Thursday was the preferred day, the Thursday put forward clashed with another Town Council meeting. Therefore, officers would consult Members about a new date.

7. PUBLIC FORUM

There were 15 members of the public present.

7.1 Several members of the public raised concerns with regard to planning application LU/125/19/PL. This related to the demolition of three garages and the erection of a seven room House in Multiple Occupation (HMO) with shared facilities and parking for three cars. Representations from the meeting came from very close neighbours living in York Road and Arundel Road.

The concerns that they had about the application were: -

- Inadequate car parking
- The strong likelihood of increased antisocial behaviour
- The impact on the privacy on local neighbours with one comment being that the premises would immediately overlook their bedroom
- The number of other similar properties in the immediate area
- The state of the premises already as a result of neglect by the landlord
- Fly tipping
- The over population of the area and lack of infrastructure
- The area being blighted
- The impact on children attending the local school as a result of the behaviour of the likely tenants

7.2 In summary, the representations mainly focused upon the likely intolerable increase in antisocial and criminal behaviour, which was already at very high levels as a result of the creation of similar properties in the vicinity. The other main concerns related to the lack of car parking, a problem that would be exacerbated by this, and the unacceptable impact on the whole immediate area as a result of an oversupply of one type of accommodation.

7.3 Mr Ellis raised three points. The first referred to planning application LU/91/19/PL (various sites along the promenade, Littlehampton) which he stated required more information before a decision was made. With regard to planning application LU/141/19/HH, he commented that the property could be seen and emphasised its location with regard to the conservation area.

7.4 Lastly, Mr Ellis asked that the Town Council review the District Council's decision relating to LU/81/19/A and the sign at Lovelong House. He was concerned that the Town Council had objected but that the matter had not been brought before the Development Control Committee and that the decision had been made by an officer. The Town Clerk undertook to clarify the procedures that the District Council had taken in approving this application.

7.5 Mrs Tyrell again drew the Committee's attention to the problem of ignoring the no right turn at the junction of River Road and the one way stretch of Surrey Street. Councillor Buckland, as the local County Councillor, stated that this problem had been ongoing for many years and he would ask the Highway Engineers at the County Council to look at this further. He would take this forward under his capacity as a County Councillor.

8. PLANNING AND OTHER DISTRICT COUNCIL MATTERS

8.1 Planning Applications – Lists 18, 19, 20 and 21

It was **RESOLVED** that:

The representations of the Council (appended to these Minutes as Appendix 1) be forwarded to Arun District Council.

8.2 Planning Application LU/47/19/RES - Kingley Gate, Courtwick Lane

The Committee had before it proposals in respect of the reserved matters relating to the provision of sports facilities at adjacent to the development (previously circulated). Changes were proposed to the exterior of the facilities building including canopies over the doors and the re-introduction of signage next to the front door. In addition, two car parking spaces opposite houses on Courtwick Lane were to be repositioned. However, following the publication of the agenda, the Town Council had been advised that further changes to the design were likely and it was therefore **RESOLVED** that:

The Town Clerk, in consultation with the Chair of the Committee, be delegated authority to respond to the changes once the design was finalised.

8.3 Planning Application LU/136/19/PL - Littlehampton Skate Park Sea Road Littlehampton

The formal planning application relating to the partnership project between the Town and District Council to build a new concrete skate park with floodlighting and a new parkour training facility had been submitted. The application was due to be determined by the 3rd July 2019. It was **RESOLVED** that:

The update be noted.

9. TRANSPORTATION AND WEST SUSSEX COUNTY COUNCIL MATTERS -There were none.

10. MASTERPLAN – NORTH LITTLEHAMPTON

There was nothing further to report.

11. EXEMPT BUSINESS

There was none.

The meeting closed at 8.30pm.

Re-submission.	Various Sites Along The Promenade Littlehampton BN17 5LF	Objection: As a result of the application needing to address alternative locations for coaches should they be moved from Banjo Road and the concerns with regard to health and safety relating to the location of some of the sites and the marked route of the road train. This was particularly seen to be a problem where people might be queuing at the concession. A further concern was raised with regard to pedestrians who might accidentally slip from the promenade onto the beach.

20	River	MM	LU/125/19/PL	Demolition of 3 no. garages & erection of 7 room HMO with shared facilities & parking for 3 cars	54 Arundel Rd Littlehampton BN17 7DD	<p>Objection: The Town Council strongly objects to this application which it believes is contrary to Policy HSP4 (Houses in Multiple Occupation) of the Arun Local Plan particularly relating to the fact that the application will adversely affect the character of the area, including eroding the balance between different types of housing, including family housing and will contribute to the generation of excessive parking demands in an area. It is also contrary to Policy D DM1, aspects of form and design quality, whereby the application does not make the best possible use of the available land by reflecting or improving upon the character of the site and surrounding area, particularly in terms of its scale, massing, aspects, siting layout and density.</p> <p>Furthermore, it would have a significant impact on the residential amenity of residents of the nearby properties, particularly with regard to unacceptable noise and disturbance. The Council also believes that the development would be overbearing and an overdevelopment of the site and would be very likely to add to already significant problems with regard to antisocial behaviour and crime.</p>
